

URGENT: Call your Senators today!
Ask them to support Immigrant Families' Access to Health Care.

Immigrant families around the country need you to act NOW! MANA, A National Latina Organization is mobilizing to send a strong message to the United States Senate to incorporate Amendment 2991, the Patient Protection and Affordable Care Act, introduced by Senator Bob Menendez (D-NJ) to the Senate Health Care Reform Bill. This bill would allow states to waive the five-year waiting period and extend Medicaid coverage immediately to **legal** immigrants. Under current law, exceptions to the five-year waiting period are only waved for pregnant women and children. The Patient Protection and Affordable Care Act would give allow states, but not require them to provide waivers for all low-income adults who would qualify for Medicaid.

If the amendment passes, it would ensure adequate coverage to as many as 600,000 adults who would otherwise not have access to these services. Furthermore, evaluation of the amendment by the Congressional Budget Office (CBO) found that there is **no cost** associated with the amendment. This amendment has also been sponsored by senators Jay Rockefeller, Jeff Bingaman, Dick Durbin, Kirsten Gillibrand, Roland Burris, and Daniel Akaka.

MANA urges you to act now! The amendment could come to the Senate floor as early as today! Please contact your Senators in three ways:

1. **Send an Email.** Find their contact information [here](#). You are welcome to write your own letter or you can also use the template attached. Feel free to modify the letter and add your own personal feelings on the subject.
2. **Call your Senators.** You can reach your Senator by calling the Capitol Hotline at (202) 224-3121 and asking to be connected to your Senator's office or call your Senator's office directly. The individual office numbers can be found [here](#). You may need to call multiple times. There are many people trying to call about the health care reform debate, including anti-immigrant communities. Please call until your voice is heard!

December 17, 2009

The Honorable <Insert Senator's Name>
United States Senate
<Insert Senator's Address>
Washington, DC 20510

Dear Senator,

As a member of MANA, A National Latina Organization, representing 27 Chapters, seven Affiliates, and individual members nationwide, I would like to declare my support for Amendment 2991, the Patient Protection and Affordable Care Act, introduced by Senator Bob Menendez (D-NJ) to the Senate Health Care Reform Bill. This bill allows states to waive the five-year waiting period and extend Medicaid coverage immediately to legal immigrants.

Legal immigrants should have the same ability as other Americans to provide affordable insurance for their families, helping them to get and stay healthy—especially because like U.S. citizens, they pay taxes and help offset the cost of these services. Congress already did the right thing when they offered states the option to remove the waiting period for legal immigrant children and pregnant women. It is important that health care reform contain this same fair standard for all legal immigrants.

As a member of your constituency, the Latino community, and MANA, I ask you to support the inclusion of amendment 2991 to the Senate health care reform bill and stand for immigrant equality in health care.

Sincerely,

<Insert Name>
Member of MANA de <Insert Chapter Name>
