AVANZAMOS® FORD FELLOWSHIP PROGRAM

July 15-20, 2007

Coronado Springs Resort
Orlando, Florida

For the sixth year, MANA, A National Latina Organization (MANA) has received funding from the Ford Motor Company Fund to provide this tremendous leadership opportunity to our members. AvanZamos® is designed to train community leaders who will, in turn, strengthen the mentoring component of our premier program, HERMANITAS®. We are inviting MANA and Affiliate members to apply for this leadership development opportunity, taking place July 15th-20th at the Coronado Springs Resort in Orlando, Florida.

AvanZamos® Ford Fellows will gain:

- ❖ Personal Leadership Skills
- ❖ Skills needed to train Madrinas® (mentors) for the HERMANITAS® Program
- ❖ Organizational Skills to help build and sustain local MANA Chapters

Acceptance into the program is based on the commitment to complete the entire training program in Orlando and deliver 2 local chapter Madrinas® training programs annually for three years.

You will be prepared to train **Madrinas®** and other trainers in your local Chapter, and given the necessary record keeping tools to facilitate success. Your participation in the AvanZamos® Ford Fellowship will help ensure the continuation of local HERMANITAS® Programs and Chapters as you begin planning for the future. We are looking for MANA and Affiliate members who have experience in training adults, good organizational skills, strong presentation skills, who are active in a MANA Chapter or member Affiliate organization, and who are committed to the education and advancement of young Latinas.

For those selected to participate as AvanZamos® Ford Fellows, airline travel, hotel accommodations and meals will be provided, thanks to generous funding from our sponsors.

To apply, please complete the attached application and return to the MANA National Office by May 30, 2008. **We anticipate filling this class quickly, so your prompt response will help ensure your participation.**
